Ministry of Health

## MEMORANDUM

---

**To:** Senator David H. Rogers, Shadow Minister of Health  
**From:** The Hon. Kim Wilson, JP, MP  
**Date:** 2 June 2026  
**Subject:** Ministry of Health Parliamentary Question for Written Response

**1. Can the Junior Minister please inform the Senate what the total financial cost over the past twelve months has been in relation to KEMH's Emergency Department overcrowding including overtime, locum staffing, agency staffing, casual labour, and staff replacement costs and provide a breakdown of those costs by the categories listed above?**

**Answer:** The line of questioning indicates familiarity with internal operational matters that are not ordinarily in the public domain. The Government does not comment on, or disclose, information arising from confidential operational discussions within the hospital system. In accordance with established principles of confidentiality and the public interest, I am therefore unable to provide a response to this question.

A handwritten signature in black ink, appearing to read 'Kim Wilson', written over a horizontal line.

The Hon. Kim N. Wilson, JP, MP  
Minister of Health
